

Dockets Management Branch (HFA-305)

Docket No. 98N-1265

Food and Drug Administration 0 '99 APR 16 A9:38

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Date

COMMENTS: I have ONLY found, three
natural hormones, AVAILABLE ONLY THROUGH
ONE OF SEVERAL OUT-OF-STATE PHARMACIES,
relief from symptoms that have
bothered me for me for years —
This ^{Proposal} is an obvious violation of my
rights. Limiting numbers of prescriptions
across state lines has nothing to do
with anyone's health issues — only
politics & greed of pharmaceutical
companies. I and many others will
NOT give into this without whatever
fighting it takes —
